

Privacy Policy – One World Cryptocoin

USING OUR SERVICES

This privacy notice discloses the privacy practices for <https://oneworldcoin.net/> and <http://ico.oneworldcoin.net/> . This privacy notice applies solely to information collected by this website. It will notify you of the following:

- What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
- What choices are available to you regarding the use of your data.
- The security procedures in place to protect the misuse of your information.
- How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

One World Cryptocoin is the sole owner of the information collected on this site. One World Cryptocoin only has access to/collect information that you voluntarily give us via email or other direct contact from you. One World Cryptocoin will not sell or rent this information to anyone.

One World Cryptocoin will use your information to respond to you, regarding the reason you contacted us. One World Cryptocoin will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order. Unless you ask us not to, One World Cryptocoin may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your Access to and Control Over Information You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

One World Cryptocoin

- See what data One World Cryptocoin has about you, if any.
- Change/correct any data One World Cryptocoin have about you.
- Have One World Cryptocoin delete any data we have about you.
- Express any concern you have about our use of your data.

Security

One World Cryptocoin takes precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever One World Cryptocoin collects sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

While One World Cryptocoin uses encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which One World Cryptocoin stores personally identifiable information are kept in a secure environment.

If you feel that One World Cryptocoin are not abiding by this privacy please contact us immediately via telephone at 1-302-468-6993 or via email at: info@oneworldtreasury.com.
