## DIGITAL ASSETS

As used herein, “Digital Asset” means a digital asset (also called a “cryptocurrency,” “virtual currency,” “complementary currency,” “digital currency,” or “digital commodity” “Digital Certificate” Etc. ), such as One World Coin, Bitcoin, Litecoin, Ethereum, Monero, Ripple, Dash, and other Crypto coins which is based on the cryptographic protocol of a computer network that may be (i) centralised or decentralised, (ii) closed or open-source, and (iii) used as a medium of exchange and/or store of value.

We do not sell any Digital Assets, but rather provide a service to facilitate the sending and receiving of Digital Assets and a service to distribute Digital Assets to other users of the service where applicable. This is not a security of any kind.

### FRAUDULENT ATTEMPTS TO DOUBLE SPEND OWC.

We monitor 24/7 all potential transactions for fraudulent attempts to double spend.

Any detected double spend will result in blocking of access to the service.

# **TAXATION**

We make no representations concerning the tax implications of the use of Digital Assets. You bear the sole responsibility to determine if your use or ownership of Digital Assets has tax implications in your own jurisdiction.

# **PRIVACY NOTICE**

You may be contacted by email in any regard to your account. Such emails will be informational only. This may be a customer services effort.

We will never request any security information via an email.

# **Relationship**

The Company is an independent contractor for all purposes, and is not your agent or trustee.

# **Accuracy of Information**

You represent and warrant that any information you provide via the Services is accurate and complete. You acknowledge and agree that the Company is not responsible for any errors or omissions that you make in connection with any transaction initiated via our web based properties. For example, if you mistype an account address or otherwise provide incorrect information in connection with any transaction request to send via the Service, the transaction will be sent to whatever account address or information you provide. We strongly encourage you to review your transaction request details carefully before completing any transaction requests via the Services.

# **No Cancellations or Modifications**

Once a transaction request has been submitted, the services will automatically complete or reject the request and you will not be able to cancel or otherwise modify your transaction request. The Company has no deeper control over the blockchain than anyone else and does not have the ability to facilitate any cancellation or modification requests. As a result, all transaction requests initiated via our web based services are irreversible.

# Acceptable Use

When accessing or using the Services, you agree that you will not violate any law, contract, intellectual property or other third-party right or commit a tort, and that you are solely responsible for your conduct while using our web based services. Without limiting the generality of the foregoing, you agree that you will not:

1. Use our web based services in any manner that could interfere with, disrupt, negatively affect or inhibit other users from fully enjoying our web based services, or that could damage, disable, overburden or impair the functioning of our web based services in any manner;

## **Suspension; Termination**

In the event of any Force Majeure Event (as defined below), breach of these Terms, or any other event that would make provision of the Services commercially unreasonable for the Company, we may, in our discretion and without liability to you, with or without prior notice, suspend your access to all or a portion of our web based services. We may terminate your access to the Services in our sole discretion, immediately and without prior notice, and delete or deactivate your Account and all related information and files in such account without liability to you, including, for instance, in the event that you breach any term of these Terms. In the event of termination, the Company will attempt to return any Funds stored in your Account not otherwise owed to the Company by giving you access directly to the blockchain via a pair of private keys that will be supplied to you, unless the Company believes you have committed fraud, negligence or other misconduct.

## **Force Majeure Events**

The Company will not be liable for any loss or damage arising from any event beyond the Company’s reasonable control, including, but not limited to, flood, extraordinary weather conditions, earthquake, or other act of God, fire, war, insurrection, riot, labor dispute, accident, action of government, communications, power failure, or equipment or software malfunction (each, a “Force Majeure Event”).

# Jurisdiction and Governing Law

These terms of use and any matters or disputes connected with this site will be governed under the laws of the United Kingdom ( British Common Law ) .

## DISPUTE RESOLUTION

All disputes, controversies or claims arising out of, relating to, or in connection with the Terms, the breach thereof, or the use of the One World Treasury App or One World Coin website(s), shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with said Rules. All claims between the parties relating to these Terms that are capable of being resolved by arbitration, whether sounding in contract, tort, or otherwise, shall be submitted to ICC arbitration.

Prior to commencing arbitration, the parties have a duty to negotiate in good faith and attempt to resolve their dispute in a manner other than by submission to ICC arbitration.

The arbitration panel shall consist of one arbitrator only, unless the ICC Court of Arbitration determines that the dispute is such as to warrant three arbitrators. If the Court determines that one arbitrator is sufficient, then such arbitrator shall be selected from England. If the Court determines that three arbitrators are necessary, then each party shall have 30 days to nominate an arbitrator of its choice in the case of the Claimant, measured from receipt of notification of the ICC Court's decision to have three arbitrators; in the case of Respondent, measured from receipt of notification of Claimant's nomination. All nominations must be from England. If a party fails to nominate an arbitrator, the Court will do so. The Court shall also appoint the chairman.
